

Jerome Russell™
invites you to

BBlonde™

Colors include Sapphire,
Beach, Natural, Platinum,
Gold, Strawberry and
Honey Blonde.

TEMPORARY Highlighting Spray

temporary color spray for the
creation of instant highlights
can also be used for root touch-ups
will not damage the hair

Use to temporarily highlight a few strands, do a "chunking" effect,
touch up re-growth, cover gray, spray the tips of spiked hair or
radically become a complete blonde. With seven fabulous shades of
blonde, you can have a different look everyday of the week.
